

2024 Claremore Fare Quilt Guild Challenges

Quilt Show Challenge Quilt Blocks: This year's Challenge will be Honoring our State and the Historic Highway 66. Please, pick up a packet of fabrics and inspiration to create a block or two with our theme in mind, which is "Oklahoma Route 66". Please, turn finished blocks, left over fabric in the packet bag by or before September Guild Meeting.

Mystery Quilt: Of course we'll have a Mystery Quilt. Please, sign-up for the handouts so I, Ann Underwood, will know how many copies are needed each month. This year's quilt will take all year to complete. It has a very unique layout instead of blocks laying straight across or down from each other. The border is also unique setting. It would work well as a two-color quilt, or scrappy with a light or dark background, or 30's print, Kansas Trouble prints, brights, batiks, etc.

Twisted Mystery Challenge: Pick up an envelope to fill and turn in at the beginning of March Guild, then you will receive a filled closed envelope at the end of March Guild. Do not mark on the envelope or tell anyone about the contents inside. Instructions for challenge is written on the front of envelope. This is a Fun Experience to show your Creativity. **Completed Project is due for reveal during September Guild Meeting.**
